**Fresh Business Expo Ukraine 2020 postponed!**

The organizers of Fresh Business Expo Ukraine have decided to postpone Fresh Business Expo Ukraine 2020 to 30 November – 2 December 2021 due to the ongoing uncertainties related to the Coronavirus situation.

At first instance the organizers were planning to host the exhibition on 1-3 December in a local format given the travel restrictions for foreigners entering Ukraine, but listening to our exhibitors, monitoring the situation closely and because of the rapid increase in cases the organisers have concluded that the current circumstances make it impossible for the organizers to hold the event at a good level at the scheduled time

Fresh Business Expo Ukraine is thus re-scheduled to 30 November – 2 December 2021

This decision has been taken after careful consideration and in the interest of exhibitors and visitors and, above all, to protect the health of all attendees.

Yours Faithfully,
